

# Give the Gift of Life.

**Build your resume and gain valuable experience** by helping Donate Life Northwest raise awareness about organ, eye and tissue donation.

- Almost **100,000** men, women and children in the United States are currently waiting for an organ transplant.
- Thousands more could benefit from a tissue transplant.
- **18** people every day die waiting for an organ transplant.
- One organ and tissue donor **can save or enhance the lives of more than 50 people.**

## Give Life. Take Action.

### **Internship and Volunteer Opportunities:** A Great Way to Get Involved

There are numerous ways for students to get involved with Donate Life Northwest and provide public education on donation and transplantation. Many college students invent their own unique way of getting involved, tailoring it to their personal and academic interests. Here are some examples:

- Organize a public education campaign on your campus or in the community (*Marketing, Health Promotion, Education, Public Relations*)
- Organize a "Donor Registry Drive" (*Any major*)
- Do a research project relating to the public's knowledge of donation (*Psychology, Statistics*)
- Enlist businesses to join our Community Champions program (*Business, Public Relations, Marketing*)
- Display a Threads of Life quilt at school (*Any major*)
- Invite a Donate Life Northwest Speaker to the classroom (*Biology, Anatomy, Leadership, Health, and more..!*)
- Submit an article on donation and transplantation to the school newspaper (*English, Journalism, Marketing, Public Relations*)

You can spend as many or as little hours as you can as a volunteer for Donate Life Northwest. Let us know how much time you have and we will let you know how you can get involved!
