Attend Donation Awareness Night with the Corvallis Knights!

by VALERIE EGAN, EDUCATION OUTREACH COORDINATOR

Take me out the ballgame! Join us on July 26, 2013 to watch the Corvallis Knights take on the Medford Rogues. Thanks to the hard work of Donate Life Ambassadors Kurt (lung recipient) and Lisa Robinson, tonight will be dedicated to Donation and Transplantation Awareness! To buy your tickets, please visit the [Corvallis Knights Website](#).

Cadena de Vida

by VALERIE EGAN, EDUCATION OUTREACH COORDINATOR

Join us for a day of fun, education and registration in beautiful McMinnville! The 3rd Annual Cadena de Vida (Gift of Life) Festival celebrates donation and transplantation. In addition to music, face painting, games and raffles, attendees can participate in an American Red Cross blood drive and register as an organ, eye and tissue donor through Done Vida / Donate Life Northwest. We are proud that this event is organized by Donate Life Ambassador Alejandra Cortes, in honor of her brother - a heart transplant recipient.

We hope to see our supporters there! Volunteers are also needed, [click here to sign up](#).

Putting the Fun in FUNdraising

by ANNA PAPPERT, DEVELOPMENT COORDINATOR

Donate Life Northwest's 2nd Annual Trivia Nite was a big success thanks to our 190 trivia players, Trivia Nite sponsor [Legacy Health](#), host [Quizmaster Polly](#) and the staff at McMenamins Mission Theater. Trivia Nite had record attendance and raised over \$1,000 for our education & outreach programs!

Congratulations to the winning team: Legacy Transplant's 1000 Lives and Counting - we hope you enjoy your trophy and prizes!

The winning team brought their own sign...and it had lights!
