

### Project Description

The art contest is designed to showcase your perspective on donation and transplantation, and to better understand what it means to you and your community – whether it is a tribute to a donor family member who has passed, or a reflection of your joy at receiving a life-saving organ, we hope that beautiful works of art can capture a part of the experience.

We encourage creativity! Feel free to use mixed media, found supplies, anything that inspires you. We ask that the final art be easily photographed and be smaller than poster size (approximately 24”x 36”).

The art contest will launch in March 2024 and run through our Summer Block Party. At that event, the winner will be announced, along with people’s choice voting. The winning artwork will be featured in a DLNW digital campaign, and receive a \$200 gift card. The people’s choice winner will receive a \$100 gift card.
