Donor Family & Recipient Quilt

Donate Life Northwest invites donor families, living donors, recipients and transplant candidates to participate in creating the annual **Threads of Life Quilt**.

The new quilt will be presented in April, during National Donate Life Month, and will be available after May 1st for display to any person, organization, or group wishing to inspire individuals to sign up on the donor registry as organ, eye, and tissue donors.

Design Criteria and How to Submit a Quilt Square

IMPORTANT!

- **The actual design – pictures, writing, embroidery, trim – may be no larger than 7" x 7"**. If you plan a contrasting border trim, include it within the 7" x 7" measurement.
Nothing outside the 7" dotted line will show on the finished quilt.
- The entire piece of fabric must measure 8" x 8" to allow for trimming and assembly of quilt.
- To make it stand out, center it in the block last least ½" from the 7" edge.
- All materials, decoration and ink must be permanent and dry-cleanable.
- Please avoid using stickers, jewelry, trinkets, or other items that cannot be secured to the square
- No backing or batting is to be applied to the square.

A **scrapbook** accompanies each quilt. Please fill out the attached ***Threads of Life Quilt Registration Form*** to ensure we have all the information needed for the scrapbook.

Preference will be given to those stories not included on any of the previous quilts.

Submit quilt squares any time before **February 12, 2022** for the **2022** quilt. Squares received after February 12 may be deferred to the following year's quilt. To view existing quilt panels, visit www.donatelifenw.org/threads-of-life.

Need help? We have Ambassadors who love to sew who may be able to provide ideas, support and assistance. Also, our partner agencies occasionally offer quilt workshops where support, materials and snacks are provided. Contact our office at 503-494-7888 for more information.
