

Outreach Example Flyer – Submitted by Jim West

Note: Jim included his blood type because his transplant center does not participate in the paired exchange program.

Kidney Needed: Please Help

My name is Jim, I am a 55 year old father, husband, U.S. Marine Corps veteran, truck driver and dispatcher, and I need a kidney. I have been in dialysis for 3.5 years. I like to hike and camp.

My blood type is O- but some "A" blood types can work with O-

Let me know if you can help.

You can contact me at jimwestneeds1kidney@gmail.com
