## Join Us for the Golf Tournament!

You are invited to join the fun with staff and supporters at the 21st Annual Golf Tournament on August 5th. This year's tournament, sponsored by [DHX Advertising](#), is a great way to introduce friends to Donate Life Northwest and support our mission. It's also a pretty good reason to get out of the office for an afternoon!

[Register Here](#)

The cost to register is \$225 per individual or \$850 per foursome. Registration includes \$50 Nike Bucks, green fees, cart, goodie bag, box lunch, buffet dinner, entry into drawing for door prizes, and more.

Don't golf but still want to participate? We are looking for volunteers to help out at the event. If you're interested in volunteering, please contact Matt Webber at [webbema@ohsu.edu](mailto:webbema@ohsu.edu) or 503.494.7888.

## Team Northwest Heads to Houston for Transplant Games!

On July 11, Team Northwest heads to Houston, Texas to compete in the bi-annual [Donate Life Transplant Games of America](#), a multi-sport, Olympic-style event for transplant recipients and living donors. More than an athletic event, the games celebrate life and vitality post-transplant, while honoring donors and donor families for their unselfish gifts.

Team Northwest is made up of eight transplant recipients and two living donors from Oregon, Washington, and Montana. The team is small but mighty – SMIGHTY! Team members will compete in various swimming and track and field events, cycling, darts, and table tennis.

The team competes this year in memory of team assistant manager, Kurt Robinson. Kurt, who had cystic fibrosis, died waiting for a double lung transplant this past spring. Despite his struggles, Kurt had an amazing spirit and had planned on competing in basketball as a first-time participant.

Support the team by following their progress on [Facebook](#) and [Twitter](#), and cheer them on as they go for the gold in memory of Kurt!

## Stars of the Month

We're doubling down again this month as we couldn't limit ourselves to just one star volunteer.

**Gina Groves** and **Andrea Garofalo** have both been racking up the volunteer hours since their 101 Trainings earlier this year. In this photo, the two all-stars are tabling at the Rose Festival's CityFair.

What you don't see in this photo is the fact the Gina had just volunteered the night before and run in the Starlight 5K Run and that Andrea volunteered at an all-day health fair the following week.

We are truly blessed to have such amazing and selfless volunteers. Come join the team and find a volunteer opportunity that best suits you this summer. Email [webbema@ohsu.edu](mailto:webbema@ohsu.edu) today!
